MISSISSIPPI VALLEY CHAPTER ANNUAL MEETING

Additional information for the hotel meeting room.

We will be in Clifton A currently which is adequate space to social distance for our members. Total square footage is 3,358 with 11' ceilings. The Resort is still asking clients to plan for room sets to accommodate 3-6 feet between all guests. We will be assisted by the resort with the best room sets once we are ready to start putting plans in place. The Resort is also sanitizing once a day for groups that are here multiple days. Hand sanitizer is available in the back of the meeting rooms, they are not setting out high touch items such as pens/pads or water stations. Break stations are available with individually wrapped items and/or individual use items such as bottles of water and sodas. Coffee stations are available however, the urns are no touch and we only provide to go cups so that guests know not to re-use. There will also be signage and hand sanitizer available at the break stations.

You can also find more detailed information for the resort at
www.frenchlick.com/safety
