NSAC MIDWEST CHAPTER
2017 ANNUAL MEETING

June 1-2, 2017

Mid-West Chapter Logo
NSAC’s Mid-West Chapter now has its very own logo. If you didn’t notice it at the Annual Meeting in June you will find it on the front page (left-hand corner) of this newsletter. A big thanks goes to Nick Mueting for implementing and designing the new logo.

President’s Message

Jeff Krejdl – Mid-West Chapter President

My name is Jeff Krejdl and I am the controller at Ag Valley Cooperative in Edison, Ne. I graduated from the University of Nebraska-Kearney in 1993 and received my MBA from the University of Nebraska in 1997. I started my career in the Cooperative system in May of 1993. My wife is a high school math teacher at Southern Valley Schools in Oxford, NE and we have three children. Our oldest son will be a sophomore at Fort Hays State University and is majoring in Ag Business. We have another son who will be a senior at Southern Valley and we have a daughter who will be a freshman at Southern Valley.

I hope that if you attended the Mid-West Chapter Annual Meeting in Wichita on June 2nd and 3rd, you had a rewarding experience and you came away from the meeting with some new knowledge and insight that will help you and your organization succeed as you face the ever-changing cooperative world.

It is my honor and privilege to serve as your Mid-West chapter President for this next year. One of the priorities of the Board will be to make sure we have another quality meeting next year and we are already well on the way to making
that happen. We have a couple of speakers already committed and have contacted some more to see if they are available. With that being said, we still need your help! Please feel free to contact me or any of the Board members with your ideas for the meeting next year. We want to make sure that our annual meeting lives up to your expectations. Please mark your calendar for June 1st and 2nd for the 2017 Mid-West Chapter Annual Meeting.

I would like to congratulate Amy Chambers for being elected to the board. Amy has been instrumental in putting together and organizing the Annual Meeting and she has done a fantastic job! We look forward to her guidance and leadership on the Board!

As I close, I would just like to remind everyone about the 2016 Tax, Finance & Accounting Conference for Cooperatives. It is July 31st – August 3rd at the Grand Hyatt in Washington, DC. This is the second year that the Annual Conference has been held in conjunction with the National Rural Electric Cooperative Association (NRECA) meeting and if it is anything like last year’s meeting in Denver, you do not want to miss it. Hope to see you there!!

Thanks and have a great summer!!
Jeff Krejdl

---

A look back at 2016 Mid-West Annual Meeting

Thank you all for attending the annual meeting this past June. Here are a few pics of all who attended. The minutes of the annual meeting will be included in the next newsletter for those who could not attend.

---

Dog Days of Summer - Monte Broeckelman

Greetings,

Summer is certainly here, wheat harvest is wrapping up and we all probably are wondering if adequate moisture for a plentiful fall crop is in the future. I just wanted to extend a thanks to all of the Midwest Chapter membership, Board of Directors, education committee and those that have volunteered their time and resources over the last couple of years to not only make the annual meetings a success but the general advancement of the Midwest Chapter.

I think the Chapter has accomplished many things over the past couple of years all attributable to everyone’s effort, which include a new chapter logo, chapter newsletter revival, success in the National Chapter Recognition Program, Midwest Chapter representation at the National level, maintaining a positive financial picture while keeping our educational offerings affordable are just a few that come to mind. As Jeff stated, there is lots of momentum in place for next year’s annual meeting.

I appreciate your support the last couple of years, I would encourage each of you to get involved in some capacity in your Chapter, as this is your organization.

Be safe, stay hydrated and hope to see some familiar faces in Washington, DC next month!!!
Monte Broeckelman
NSAC’s Cooperative Learning Network

What is NSAC’s Cooperative Learning Network?
A NSAC Cooperative Learning Network is a live, interactive 60-minute conference presented over the telephone and over the Internet. You can attend from any location that has telephone and Internet access. You pay just one registration fee for as many participants as you wish at each call/log-in location.

Note that high-speed Internet access is not mandatory – the system works with dial-up but you must have separate connections for the audio and video portions. You may use cell phones for the audio if you have only one connection.

Who presents at one of these sessions?
Your Cooperative Learning Network will have one or more speakers who are recognized experts on the topic. Conferences typically include a Q&A session; you can ask questions by phone or instant messaging options.

CPE Credits
The National Society of Accountants for Cooperatives (NSAC) is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit.

Complaints regarding registered sponsors may be addressed to the National Registry of CPE Sponsors through its website: www.learningmarket.org.

Delivery Method: Group-Live.

CLN Policies
Refunds for CLNs are not provided. Registrants if unable to participate will be provided credit for a future CLN or may opt to be sent a copy of the CLN PODCast following the event. Note PODCasts are not eligible for CPE credit.

For more information regarding refund, complaint and/or CLN cancellation policies, please contact our offices at (937) 222-6707 or info@nsacoop.org.

What does my registration include?
Your registration includes long-distance charges for the audio portion and log-in to the video presentation. All handouts and presentation files are downloadable and may be printed out or saved to the participant's computer once they are logged in to the session meeting room. Sessions include one CPE Certificate of Attendance. Certificates for additional participants are $10.00 each.
**Directors, Officers, and Committee Chairmen**

### National/Director
