President’s Report

Hello May flowers and rain! It’s nice to see summer is on the way and I hope everyone has great vacation plans! The Midwest Chapter has been super busy getting ready for our upcoming Annual Meeting in June. Please give a HUGE thank you to our Education Committee and Board Members for all their hard work in making this happen. We have a great meeting planned for you this year and hope you will enjoy the networking opportunities. We are always looking for new members, so please reach out to anyone you feel would benefit from being a member in NSAC.

During the Annual Meeting, we will be electing new officers and would love to recruit new faces to our Board of Directors. This is a volunteer position, but one that has a great impact on a lot of individuals. You also have the opportunity to potentially impact individuals and cooperatives at the national level. Please contact any of the Board members with any questions or if you would like to be considered for a position this year. We would love to have you!

The National Conference this year will be in Denver, Colorado August 4th through the 7th. Since this meeting is within our region, I would love to see several of our members attend, so please mark your calendars for this event and let’s see how many members we can send this year!

In closing, I want to extend a big thank you to Amy Chambers for all her years of service with NSAC. Amy has embarked on a new career adventure and needed to step down from her position with NSAC. She has provided many years of volunteer hours in planning annual meetings and making NSAC the best that it can be. If you see Amy, please tell her how much she is appreciated. We wish her the best of luck in her new position.

I hope to see all of you at the Annual Meeting in June!
