Note from President:

My family and I are looking forward to being in Savannah in June for the NSAC regional conference. I plan to be there along with a couple of my coworkers for some practical CPE along with good food and entertainment and the good company of fellow NSAC members. Members of your regional leadership team are working on finalizing the program.

Your agenda will include some relevant tax, accounting or auditing updates. There will also be an interesting Cyber-Security/Fraud learning opportunity. Stay tuned for more specific announcements soon.

I am grateful for what NSAC offers my firm and my co-workers. I look forward to seeing you in Savannah in June!

Membership Types

All memberships are individual memberships and are not transferable.

REGULAR: To be eligible for regular membership, an individual shall be employed by or affiliated with a cooperative association, be engaged in providing professional services for cooperatives, or shall otherwise be engaged in the furtherance of cooperative principles. The national annual membership service fee is $175.00 and covers 1 year of membership from the date enrolled. NSAC membership dues must include payment of national membership service fees plus applicable chapter dues (listed below).

RETIRED: To be eligible for retired membership, an individual must have a minimum of five years active membership in good standing, have reached age 55, and be retired from active business under provisions of a formal retirement plan or through amicable arrangement with his or her employer which results in a complete severance or material reduction in compensation, or have retired because of permanent disability. The national membership service fee is $50; there are no chapter dues required.

CHAPTER MEMBERSHIP AND DUES

Chapter membership is required as a condition of membership in NSAC. Ten chapters have been organized using state boundaries as set forth below. Members usually affiliate with the chapter covering the state in which they live or work. However, NSAC recognizes that for professional, geographic or other reasons members may prefer to affiliate with a different chapter or with more than one chapter.

Dues are assessed on the basis of all chapters chosen. Please designate on page 1 the chapter(s) in which you want to hold membership. If no choice is made, a chapter assignment will be made based on address. If joining more than one chapter, the first chapter listed on page 1 will be considered your primary chapter for voting purposes.
